

Rural Expressway

A high-speed divided highway for through traffic with access partially or fully controlled and grade separations at important intersections with other roads.

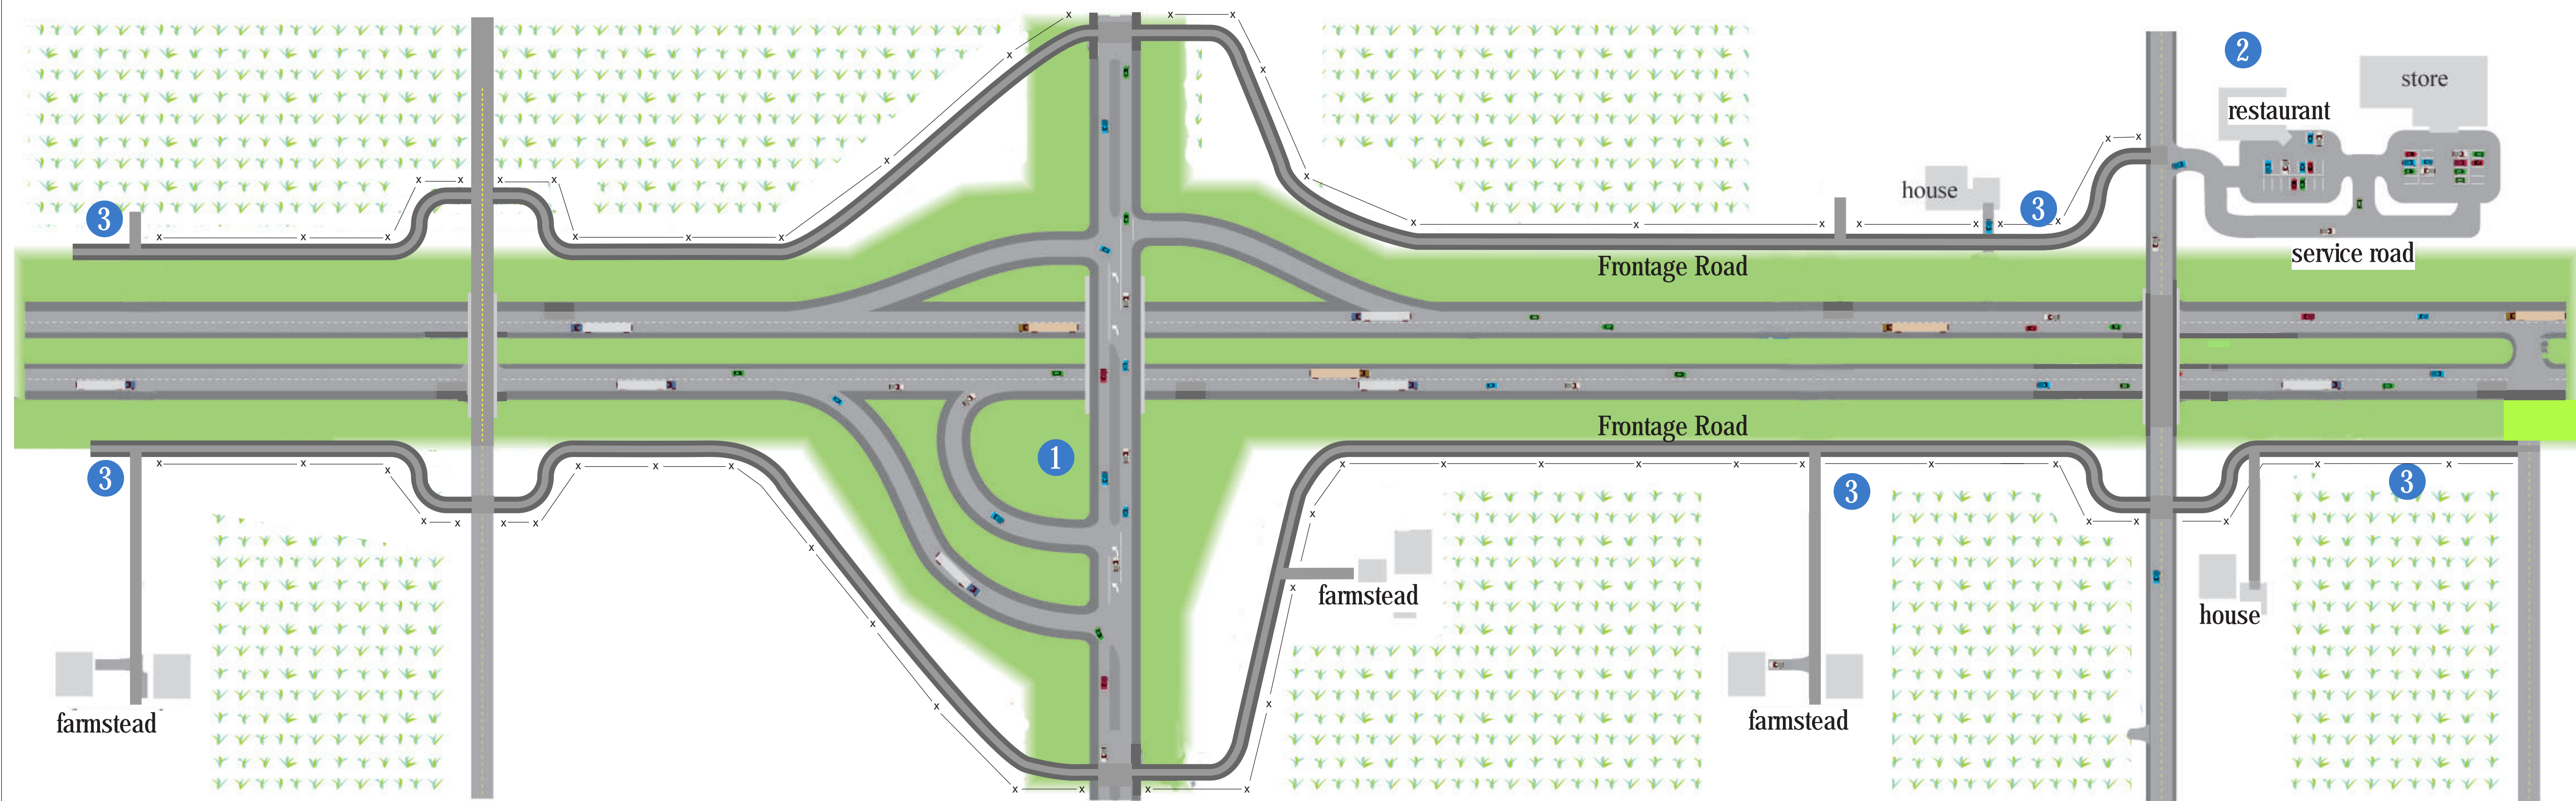

Types of access

- 1 Interchanges**
at higher traffic volume roads, when traffic conditions warrant.
- 2 At-grade Intersections**
at state, county and township roads or city streets.
- 3 Business or Commercial Entrances**
access only from service drives or side roads.
- 4 Farm or Residential Entrances**
access may be direct to the expressway or to a nearby side road.
- 5 Median Cross-overs**
may be at local roads, street and entrances where safety will not be compromised (not all entrances will have median cross-overs).

Rural Freeway

A high-speed divided highway for through traffic with access fully controlled

Types of access

- 1 Interchanges**
- 2 Business or Commercial Entrances**
access only from service drives or frontage roads
- 3 Farm or Residential Entrances**
access only from service drives or frontage roads
